RAMI FEINSTEIN

Is an Israeli singer-songwriter who has developed a diverse and devoted following over the last ten years, performing with his band throughout Israel and the U.S. and singing in a weekly spot on the Israeli Sports Channel's popular morning show. After 3 albums in Hebrew he is now releasing songs from a new album in English.

When Rami toured the US, he swept audiences away with his insightful take on life, his touching and humorous lyrics, and his upbeat music.

Rami's music and lyrics reflect a unique Israeli character, blending a "folk-rock-funky" quality.

In addition to performing in many different venues and Jewish communities throughout the U.S, Rami also shares his extraordinary stories in a series of workshops in schools, colleges and cultural centers, giving students a peek into the unique life of the Israeli artist, music and culture.
